Dear Daniel Chipperfield

Trowbridge Talking News

Trowbridge Talking News is a voluntary group which remains committed to providing free of charge a summary of the "Wiltshire Times" to people in Trowbridge and the surrounding area who have difficulty in reading a newspaper due to being blind or partially sighted. This service is provided on a USB memory stick which they play in the comfort of their own homes and so they are not excluded from all that is happening in the local area.

The Annual General Meeting of Trowbridge Talking News will be held on Wednesday 24 September (7.45 pm) at Trowbridge Park Club, Park Road, Trowbridge, BA14 8AQ when the Management Committee for the following year will be elected. Anyone who already supports this service or anyone wishing to learn more about it is cordially invited to attend and will be made most welcome.

Volunteers to help provide the service are always sought and further information on the various volunteer roles including the work of the management committee can be obtained from the Secretary at ttnenquiries@gmail.com, by ringing 07528 841930 or by attending the AGM.

Yours sincerely

Chris Williams

Secretary Trowbridge Talking News
